EXPERIENCE

Teaching Assistant (various Physics and Machine Learning courses)

– *Higher School of Economics, Moscow*

02/2022 – PRESENT

- Working with GAN, BERT, RNN
- Consultations for students

ML Developer – *Moscow Centre for Healthcare Innovations*, Moscow

07/2023 - 09/2023

- Yolo document detection

EDUCATION

Bachelor of Science in Physics – *HSE National Research University, Moscow*

AUG 2020 – MAY 2024 (EXPECTED)

- Diploma thesis: *Optical solver for NP-hard tasks*
- Prokhorov General Physics Institute of the Russian Academy of Sciences, Quantum technologies, basic department
- GPA: 8.23/10.0

CONFERENCES

Poster session, Student Conference, Higher School of Economics, Machine Learning

Moscow, Voronovo

MAY 2023

Student Conference: Fall into ML, Higher School of Economics

Moscow

NOVEMBER 2023

MIPT forum on Artificial Intelligence

Moscow

APRIL 2023

INTERESTS

Most interesting spheres:

- Optical calculations
- Publications in scientific journals
- NLP/CV

SKILLS

Knowledge

Physics
Mathematics
Neural networks

Technical

Python
Git
LaTeX
Scientific mind

LANGUAGES

Russian - NS
English - B2

AWARDS

Winner of hacathon "Digital breakthrough" Address Matching

Moscow

AUG 2023

Prize winner of hacathon Yandex I am Professional Ai section

Moscow Institute of Physics and Technology

APRIL 2023

INVOLVEMENT

Project: Optical calculations

02/2022 – PRESENT

MSU Quantum Technology Centre
